Old Business

- If we're going to do an audit at end of year, why wouldn't we do it for a couple years rather than just one. Motion to go back three years by Brian Deter, second by Cliff, all in favor.
- Andy would like us get an estimate on an external audit cost. Board will work on getting estimates from an external firm.
- Just put the deposit on the buffer for the floor for \$1121.00, hopefully will be here by end of the week
- By laws have been updated and posted
- LCB violations – have not heard anything further from them.
- Underground electricity out to sign, need a machine to do some digging before we can make any decisions or get any estimates

New Business

- Brian Deeter brought up that he saw guests putting money on bar and bartenders taking money, just wants to make sure that all bartenders are aware of LCB rules. Are they RAMP certified? Yes.
- ServeSafe certified cooks? No, we need make sure our person is still certified.
- Has our kitchen been cleaned lately, concerns it's not as clean as it should be. Concerns about a inspection and possible fine.
- Need new garage doors, looking into estimates. Other external doors in building need to be replaced because they are leaking. Looking for bids on garage doors and exterior doors, please come to the board if you have any recommendations

- General Meeting Minutes are now posted to our website. Dennis says we are doing a great job posting things on facebook, Michelle is our graphic/poster person, thanks to her!
- JJ will be cleaning the smoke eater filters and cleaners on Sunday, would like volunteers.
