New Business

- Jeff Fassal was asked to get some dates for a CPR class, we're working on trying to get dates that work with the instructor.

- Cut out trout at bar for the fishing contest
- Can we get our new land posted? We're working on getting a formal survey so we can post accurately
- Sign up sheet for those that are hunting the property – we are already working on that for next week. Travis suggests a pass to put in the vehicle so if someone parks somewhere not club property we know they belong there. Also post rules on how many deer you can hunt.
- We are closer to hooking up the well, we have all the test results and need a final inspection from the DEP so we're waiting on them
